ALTERNATIVES TO PAYMENT OF FINES AND COSTS

A defendant who is convicted of a criminal offense punishable by fine only is entitled to alternative methods of satisfying the judgment against them if they are unable to pay the fine or costs, in whole or in part.

Those alternative methods include:

- 1) A payment plan, allowing the defendant to make payments toward the fine and costs in designated intervals.
2) Disposition of the amount assessed by performing community service. There are many options that meet the requirements of the law for community service, see Art. 45.049 of the Code of Criminal Procedure for full details. A defendant is entitled to a minimum of \$100 credit for every 8 hours of community service performed.
3) If performing community service imposes an undue hardship, a defendant who is indigent or who lacks sufficient resources to pay is entitled to a waiver of the fine and costs, in whole or part.

The appear date on your citation is NOT a court date, it means you are to contact the court by that date to pay your fine, set up a payment plan by filling out an Affidavit of Indigence (along with your plea), request the Driver's Safety Course or ask any questions that you may have. In order to speak to the Judge, you MUST enter a plea of Nolo Contendere (No Contest) or Guilty. If you are going to enter a plea of Not Guilty, the Judge will be unable to discuss your citation with you.
