Tyler County Residents**

Pets During an Evacuation

If you are in need of help evacuating and you are bringing your pets with you, there are a few steps you must follow.

- (1) Pets must be placed in a suitable carrier. If you do not have a pet carrier you will be required to have your pets muzzled and leashed.**
- (2) It is recommended that you have your animal's vaccination records with you or attached to their collar.**
- (3) No snakes OR exotic animals will be allowed. NO EXCEPTIONS.**

These rules are in place to protect the animals and citizens during an evacuation.
