(Effective Immediately)

The Tyler County Clerk and staff cannot conduct lien searches or criminal background searches that are not authorized by statute.

We can verify information when provided specific information and we will provide copies as requested when payment is received. Copy fees are \$1 per page plus \$5 certification fee.

The record search authorized by statute is Federal Tax Liens: TX Property Code 14.004(d) \$10 plus copy & certification fee

Attorney General Opinion WW 607 (1959) the summary states the following:

“The County Clerk has no duty to search the records under his control and guarantee the correctness thereof.”

The Error & Omissions Insurance of the County Clerk only covers actions of the County Clerk and her staff, which are statutorily required duties. Therefore, it is in the best interest of the county, as well as the clerk individually, to refrain from performing any action (including records searches) which is not legally required.

We offer public search computers in the office during our normal business hours:

Monday through Friday, 8:00am-4:30pm or Criminal Records at www.iDocket.com
