Budget Letter

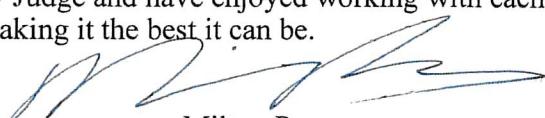

Honorable Commissioner's Court:

I respectfully submit the FY 2026 Annual Budget for Tyler County. The budget being adopted by the Commissioners Court on Monday, September 8, 2025, is in accordance with all statutory requirements and will be used as the financial and management control device of the County from January 1, 2026 through December 31, 2026. This budget was prepared in a year in which Tyler County saw new challenges which at the same time affected other governmental entities across the nation. In addition, Tyler County continues to address many of the same challenges from prior years of unfunded mandates. This budget was prepared with current and future challenges in mind in a manner that best addresses these issues cost-effectively. This budget best meets the needs of the County in the context of our financial resources and budget constraints.

The General Fund alone accounts for the largest portion of the budget in operating expenditures for the coming year, which is an increase in the funding that was budgeted from the previous year. Farm to Market/Flood Control (County Special) has also encountered difficulties in obtaining materials for road projects and maintenance. Implementing the priorities of Commissioners Court while simultaneously trying to address all the needs of the County is an ongoing effort. We are working diligently to utilize limited resources through detailed analysis and thoughtfulness. Consideration must be given, not only to the short-term effects ensuing from how this budget is prepared, but to the long-term consequences resulting from the specific, purposeful, allocation of resources. The understanding and teamwork exhibited by appointed/elected officials during this budget process cannot be understated and contributed tremendously to the successful preparation of this budget.

The impact of inflation is still a factor in preparing the budget. The Auditor and I have worked closely with County Officials to work on strategies which would result in lowering the financial impact to the budget, while at the same time addressing the needs of the requesting departments. During the 2025 fiscal year, challenges were met with the rising costs of insurance coverage, fuel prices, road materials and unfunded mandates. Our Officials have shown their dedication to Tyler County by working with the court to minimize the impact on our 2026 budget.

I feel honored to have been elected to the position of County Judge and have enjoyed working with each of you and look forward to moving our county forward in making it the best it can be.

Milton Powers
County Judge

Texas County Government Overview

Functions of County Government

Today there are 254 counties serving the needs of over twenty million Texans--ranging in size from just under 200 residents to over 4 million. Major responsibilities include building and maintaining roads, recreational facilities and, in some cases, county airports; constructing and operating jails; operating the judicial system; maintaining public records; collecting property taxes; issuing vehicle registration and transfers; and registering voters. Counties also provide law enforcement, conduct elections, and provide health and social services to many indigent county residents. County governments are also playing a vital role in local economic development.

Structure of County Government

County government structure is spelled out in the Texas Constitution, which makes counties agents of the state. Thus, counties, unlike cities, are limited in their actions to areas of responsibility specifically spelled out in laws passed by the Legislature and signed by the Governor. At the heart of each county is the Commissioners Court, which has four precinct Commissioners and a County Judge who serve on this court. This body conducts the general business of the county and oversees financial matters, plus, the Texas Constitution established a strong system of checks and balances by creating other elective offices in each county. The major elective offices found in most counties include County Attorneys, County and District Clerks, County Treasurers, Sheriffs, Tax Assessor Collectors, Justices of the Peace, and Constables. As a part of the checks and balances system, counties have Auditors appointed by the District Judges. While many county functions are administered by elected officials, others are run by the Commissioners Court. They include such departments as public health and human services, human resources, purchasing and budget, and, in some counties, public transportation and emergency medical services.

History of County Government

The origin of Texas county government can be found in "municipality," the local unit of government under Spanish and Mexican rule. The municipalities were large areas embracing one or more settlements and the surrounding rural territory. By 1821, there were four major Spanish settlements in Texas--San Antonio, Bahia (Goliad), Nacogdoches, and the Rio Grand Valley--and three areas of light settlement and ranching and four major roads. Prior to Texas' independence from Mexico, there were no political subdivisions at the county level. In 1835, Texas was divided into departments and municipalities. Three departments were established--Bexar, Brazos, and Nacogdoches--along with 23 municipalities under the new Republic established in 1836, the 23 municipalities became counties. When Texas became a state in 1845, there were 36 counties. Under the state Constitution of 1845, county government varied little from that found under the Republic. The only major change was the one that made all county offices elective positions. When Texas entered the Confederacy in 1861 and adopted a new state constitution, there were 122 counties. Ten years after reconstruction from the Civil War, the Constitution of 1876 was adopted. This constitution is still in effect, and contains much detail concerning the governmental organization of the Texas' counties. The number of counties increased steadily until the present number of 254 counties was reached in 1931.

Home of the Dogwood Festival

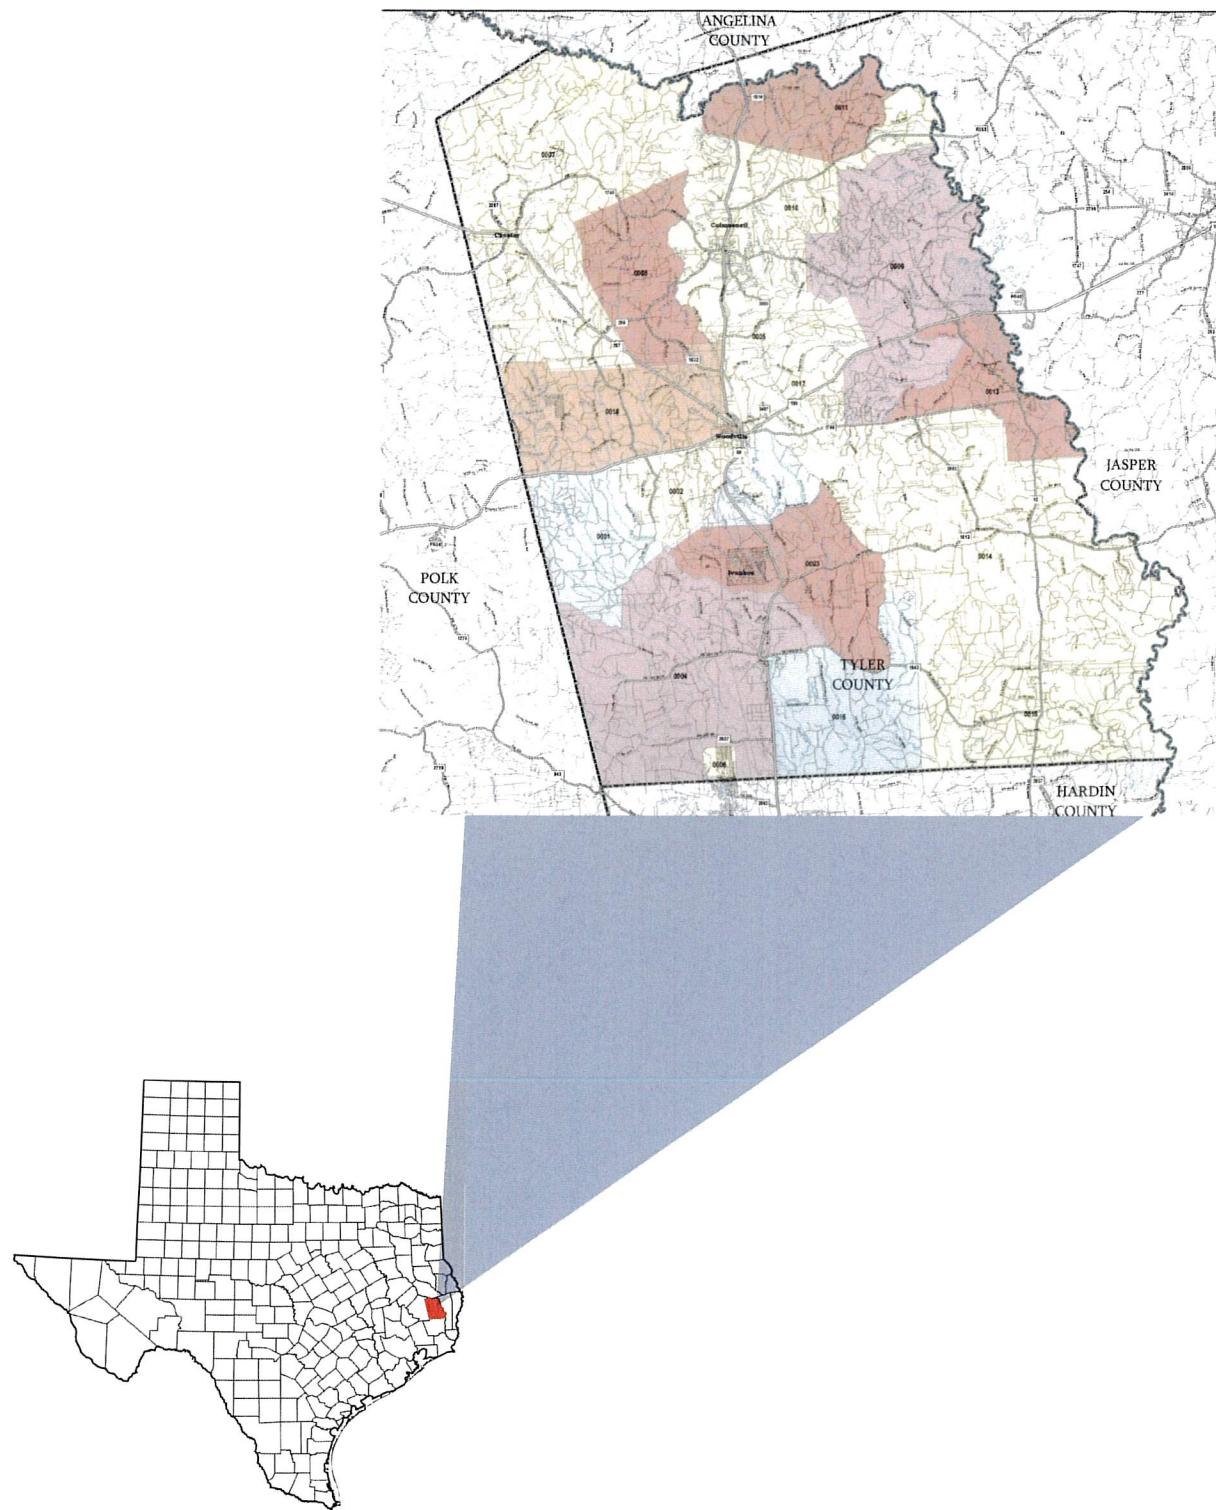

Tyler County Home of the Dogwood Festival

The Tyler County Dogwood Festival, the oldest outdoor historical pageant in the South, is a continuing tribute to its founder, James W. Wheat. It calls attention to the beauty of the area in story, pageant, and song. In the spring of 1938, when the dogwoods were in bloom, James E. Wheat arranged a meeting near the Polk and Tyler County line of a group of the state's leading citizens whose aid he hoped to enlist in promoting the completion of U.S. Highway 190. His guests, from other parts of the state, were so impressed with the natural beauty of East Texas that Jim Wheat hit upon the idea of an annual event which would focus attention on the area when "It's Dogwood Time in Tyler County." On the night of Saturday, April 6, 1940, the first Dogwood Festival was presented by some thirty people to an audience of 300 in a small amphitheater on the grounds of the Woodville school. From the day he had the idea until the day he died, Jim Wheat was President and major promoter of the project which he so ambitiously started. He was born, raised, and spent virtually all his life in Tyler County. He was a leader in his own community in school, municipal, church, and civic endeavors. In state and national circles, he reached the highest levels of success in the legal profession as Chairman of the Democratic Party in Texas, the first Chairman for the forerunner of the Texas Historical Commission, an early reformer of the Texas Prison System, and in other varied capacities. He received citations and accolades from all sides, yet he often stated that his greatest satisfaction was the success of the Tyler County Dogwood Festival. He liked to say in the bulletin each year that the festival indicates "what can be done in small towns where there is a spirit of good will and broadminded appreciation of the cultural and esthetic values of life which enables people to work together for the common good." That was Jim Wheat's "ethic", his "Citizens Creed". We are fondly reminded of it and of him each year when we realize that once again,

"It's Dogwood Time in Tyler County."
