

IMMEDIATE FULL - TIME OPENING

Date: **05/04/2026**

Official: **Joe Blacksher, Commissioner**

Position: **Road & Bridge, Pct. 1 Road Crew (Full-Time)**

Key Responsibilities and Duties

- **Maintenance & Construction:** Repair potholes, seal coats, maintain gravel roads, and assist in building bridge structures, culverts, and drainage systems.
- **Equipment Operation:** Operate heavy and light machinery, including front-end loaders, bulldozers, tractors, chain saws, and mowers.
- **Infrastructure Maintenance:** Clear brush, trees, and debris from rights of way; install road signs and guardrails.
- **Equipment Care:** Perform daily, routine maintenance checks and minor repairs on equipment (fueling, greasing, washing).
- **Emergency Response:** Respond to emergency situations such as flooding, storm damage, or snow/ice removal (sanding/plowing).

Physical Requirements and Working Conditions

- **Physical Demands:** Frequent lifting (often up to 100 pounds), bending, stooping, and manual labor in outdoor environments.
- **Environmental Factors:** Exposure to extreme heat/cold, fumes, noise, and vibration.
- **Hours:** May require irregular hours, including nights, weekends, and on-call time for emergencies.

Required Skills and Qualifications

- **Education:** High School diploma or G.E.D. required.
- **License:** **A valid Commercial Driver's License (CDL) is required.**
- **Experience:** Previous experience as a maintainer operator as well as road construction, heavy equipment operation, or maintenance is preferred.

Additional Information:
